

SUMMER @ CMDS

FAQ

What is Summer@CMDS?

Summer@CMDS is Christ Methodist Day School's summer day camp program where your child can have a full summer of fun and games! Our mission is to provide a Christian, safe, supportive and entertaining environment for students. We provide fun-filled activities that allow for physical involvement, social interaction, educational opportunities, personal growth and creativity. Day campers will be divided into groups by age with activities appropriate to the interests, abilities and needs of each group.

What will my child be doing?

Each week, children will explore different themes with movement, arts and crafts, music, water play, sports, games and story-time. There is always plenty of time to make new friends and play with old friends.

Who can come?

Our day camp is open to the entire Memphis community, boys and girls ages rising PK to rising 7th Graders. Rising PK students must be 3 by June 1, 2019; they do not have to be potty trained to attend Day Camp. However, they must be potty trained to attend Enrichment Camps.

What should we bring?

It's important your child brings a change of clothes each day because there will be a water activity every day! What is summer fun without water? He or she will also need a towel and a packed lunch that does not need to be heated or refrigerated.

I still have questions. Who should I call?

If you have any questions, please call Summer@CMDS Director Amanda Bardos at 901-261-2147 or email aok@cmdsmemphis.org.
